Dear Mr. Kirgan,

Recently, the 131<sup>st</sup> Fighter Wing completed its Operational Readiness Inspection given by Air Combat Command. As you might imagine, preparation for such an inspection was arduous and time consuming. A full year has been spent preparing our wing to undergo ten rigorous days of intense scrutiny. An essential portion of that preparation included a wide assortment of printed items printed by your agency. Your staff went the extra mile and made our requests a priority and provided outstanding customer service. Without your assistance, I am positive we would not have done as well as we did. I would specifically like to recognize the efforts of Loretta Baskin, Ann Carter, Bradley Hafer, and Tom Harris, Jr. Their positive attitude and timely service were refreshing, exemplifying your motto, "Can Do Right Now." You can be justly proud of their work.

Thank you for all you did to assist us through our inspection.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael G. Brandt".
