Dear Mr. Hoffa,

I'd like to take this opportunity to personally thank you and the members of your staff for the outstanding support of SOCSOUTH'S Ribbon Cutting Ceremony, conducted on 7 May 2004.

Your hard work, dedication and professionalism in support of this ceremony were instrumental to our success. Your efforts resulted in this command receiving a quality program and command pamphlet for the event.

Again, thank you and we look forward to working with you in the near future.

Sincerely,
