

COMMANDER, CARRIER GROUP TWO

March 26, 2004

Dear Mrs. Schafer,

I would like to personally thank you and your department for setting other jobs aside in order to assist my staff in developing Memorial products to honor our fallen shipmate, Petty Officer Tameca Holloway. The quick turnaround of such excellent work was greatly appreciated by my staff, Petty Officer Holloway's family, friends and shipmates.

Again, thank you and keep up the great work!

Sincerely,

T. J. Kilcline, JR
